Mr. Alton B. Spurr, Chairman
Board of Selectmen
Town of Southborough, Mass.

Dear Mr. Spurr:

In order to assist your Board in preparing the Jury list for this year, I have gone over the lists for the past six years and enclosed you will find those who may not appear on the coming list and those who have appeared on past lists.

You will note that there has been much repetition of names and it is my suggestion that greater care be exercised when making the current selection.

I am also enclosing copy of the statute in reference to the appointment of election officers which must be appointed between June 15th and August 15th. of each year.

Very truly yours,

Re: Jury List

Dear Hamilton:

I am in receipt of the copy of the 1941 Jury List which arrived while I was on vacation and which I could not take care of until today, my first day at the office.

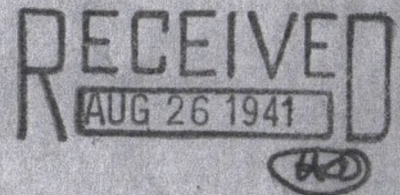

I have checked this list and find insofar as previous lists are concerned no name has appeared in excess of the maximum. This is the third successive appearance of Herbert E. Harrington, so I wish to call to you attention that he will be ineligible in 1942, and for three years thereafter.

I would suggest that you add these names to the list which I sent to the Board of Selectmen on June 9, 1941 so that next year the Board may have an up to date list.

Very truly yours,

Eleonora F. Burke

Re: 1942 Jury List

Dear Mr. Labarre:

I have checked the above Jury list as sent to me by the Clerk of your Board. I find that the list appears to be correct in that no person thereon has served for more than three successive times nor more than three times in the past six years.

I wish to call to your attention, however, that the name of Angelo Delarda has appeared three successive times and therefore, he will be ineligible next year.

Very truly yours,
